

AMERICAN YOUTH SOCCER ORGANIZATION

B12 – 2024 Wallach Family Cup Saturday, June 8th, 2024

ALL of AYSO's Six Philosophies MUST apply for coaches, players, and parents, most especially:

- Everybody Plays: all players must play at least half of each game. Coaches should strive for equal playing time for all players.
- Positive Coaching
- Good Sportsmanship

The Matches

The scheduled start time is the time of kick-off. All teams should be at their assigned field ready to play 10 minutes prior to listed match time. If both teams are ready and the field is available, starting early is encouraged so long as kids are hydrated and safely ready to play.

Games are 9v9 unless one of two teams must play down in which case coaches and referees will work together to agree on number of players to keep the game SAFE, fun, & fair.

Game duration will be two 20 minute halves with a continuous running clock and a 5-minute halftime. Please email scores to tournaments@ayso300.org.

Substitutions

“On-the-fly” substitutions are allowed: players can be subbed in-and-out while play is in progress. Players subbed out should not play the ball and should not obstruct an opponent if their substitute is on the field.

Games Ending in a Tie

If a game ends in a tie, a 10-minute overtime period will commence immediately following the end of regulation. If at the end of the 10-minute overtime period the game is still tied, games will be decided by a 5-player shootout.

A coin toss determines which team shoots first in a shootout (coin toss winner has choice to shoot first or last). If still tied after each team takes 5 penalty shots, shootout will continue with one shot per team until a winner is determined. No player shall take a 2nd shot in a shootout until all other players on the team have taken a shot in that same shootout.

Any player can be the goaltender during the shootout; it does not have to be the same player who was goaltending at the end of the overtime period.
